Belden Double Bubble™ Compression System

Belden offers a fully integrated compression tool and connector system to ensure a secure, permanent connection for most popular coaxial cables.

Create a superior quality installation with TRUE 360° Double Bubble compression technology

Double Bubble Compression Connectors

- RG6 and RG59 universal connectors for standard through quad-shield cable
- The permanent 360° water-tight seal on the cable provides superior pull-out strength reducing signal ingress and egress
- One-piece design eliminates loose pins and sleeves minimizing installation time
- Non-blind entry sets the pin at the back of the connector making insertion of the cable easier

Plenum Compression Connectors

- F, RCA and BNC for RG6 and RG59 Plenum cables
- Custom designed connectors provide an easy to install, precise fit on a variety of plenum cable types

Security (CCTV) Compression Connectors

- RCA and BNC for Security (CCTV) RG59 cables
- Security connectors are designed for CCTV coaxial cable with copper braiding and a solid copper center conductor
- For ease of installation use the Cable Pro FIT-6 or FIT-59 Insertion tool

High-Def BNC Compression Connectors

- Combined patented technologies (PTFE Insulator) with a proprietary manufacturing process to ensure a superior quality signal

RGB/Mini Coax Compression Connectors

- RCA and BNC connectors
- RGB/Mini coaxial connectors are available in two sizes
 - RG15 (22-24AWG), purple
 - RG1 (24-26AWG), orange

Cable Pro Compression Tool

- System creates two 360° points of compression on the cable to provide a permanently sealed Double Bubble compression
- Works exclusively with Belden's F-Conn DB™ compression connector series
- Made from heat treated high carbon steel for maximum strength and durability
- Fixed compression dies inside the tool and the self-adjusting plunger head provide consistent compression without having to recalibrate after each use
- Tool is designed as a one -step, one-tool system

Double Bubble Kits

- DBSTARTERKIT features a quick-start solution to the Double Bubble system that includes Cable Pro tools, a variety of F-Conn DB connectors and accessories
- DBPSAKIT features the Double Bubble compression tool and PSA59/6 cable strip tool in one kit

Double Bubble Radial Bubble Compression Tool

Cable Pro Double Bubble Compression Tool

Part Number	Description
CPLCRBC-B	Double Bubble Radial Bubble Compression Tool
LMTIP-S	Silver Adapter Tip For F-Conn's Silver/Nickel Connectors
RBCTIP-UHF	Adapter Tip For F-Conn's DB 50 Ohm Connectors
LMTIP-HOLDER	Holder For Adapter Tips

F-Conn Double Bubble Compression Connectors

F-Conn Double Bubble Universal Compression Connectors

Part Number Nickel	Description	Tip Required	Tool Required
DB6U	RG6 F-Type Connector	LMTIP-S	CPLCRBC-B
DB6BNCU	RG6 BNC Connector	NONE	CPLCRBC-B
DB6RCAU	RG6 RCA Connector	LMTIP-S	CPLCRBC-B
DB59U	RG59 F-Type Connector	LMTIP-S	CPLCRBC-B
DB59BNCU	RG59 BNC Connector	NONE	CPLCRBC-B
DB59RCAU	RG59 RCA Connector	LMTIP-WP	CPLCRBC-B

F-Conn Plenum and Security (CCTV) Compression Connectors

Plenum and Security (CCTV) Compression Connectors

Part Number	Description	Tip Required	Tool Required
DB6PL2	RG6 F-Type Plenum Size 2 Connector	LMTIP-S	CPLCRBC-B
DB6BNCPL2	RG6 BNC Plenum Size 2 Connector	NONE	CPLCRBC-B
DB6RCAPL2	RG6 RCA Plenum Size 2 Connector	LMTIP-S	CPLCRBC-B
DB59PL2/4	RG59 F-Type Plenum Size 2/4 Connector	LMTIP-S	CPLCRBC-B
DB59BNCPL2/4	RG59 BNC Plenum Size 2/4 Connector	NONE	CPLCRBC-B
DB59BNCPL3	RG59 BNC Plenum Size 3 Connector	NONE	CPLCRBC-B
DB59RCAPL2/3/4	RG59 RCA Plenum Size 2/3/4 Connector	LMTIP-S	CPLCRBC-B
DB59BNC SL	RG59 BNC Security (CCTV) Connector	NONE	CPLCRBC-B
DB59RCASL	RG59 RCA Security (CCTV) Connector	LMTIP-S	CPLCRBC-B

F-Conn High-Def BNC Compression Connectors

High-Def BNC Compression Connectors

Part Number	Description	Tip Required	Tool Required
DB6BNCHD	BNC, 1-Piece Compression Connector with PTFE Insulator	-	CPLCRBC-B
DB59BNCHD	BNC, 1-Piece Compression Connector with PTFE Insulator	-	CPLCRBC-B
DB15BNCHD	BNC, 1-Piece Compression Connector with PTFE Insulator for 22-24AWG cable	-	CPLCRBC-B
DB1BNCHD	BNC, 1-Piece Compression Connector with PTFE Insulator for 24-26AWG cable	-	CPLCRBC-B

F-Conn RGB/Mini Coax Compression Connectors

RGB/Mini Coax Compression Connectors

Part Number	Description	Tip Required	Tool Required
DB1BNC	RGB/Mini Coax (24-26AWG) BNC Connector	NONE	CPLCRBC-B
DB1RCA	RGB/Mini Coax (24-26AWG) RCA Connector	LMTIP-S	CPLCRBC-B
DB15RCA	RGB/Mini Coax (22-24AWG) RCA Connector	LMTIP-S	CPLCRBC-B

F-Conn DS3 and DS4 Compression Connectors

DS3 and DS4 Compression Connectors

DS3 and DS4 connectors are a highly secure, dependable broadband connector solution that exceeds performance and signal quality standards

Part Number	Description	Tip Required	Tool Required	Belden Cable
DBDS3BNC	BNC Connector for 735 Cable	NONE	CPLCRBC-B	735A*
DBDS4BNC	BNC Connector for 734 Cable	NONE	CPLCRBC-B	734D1, 734D1T
DBDS4BNCPL	BNC Connector for 734 Plenum Cable	NONE	CPLCRBC-B	734A1P

F-Conn 50 Ohm Compression Connectors

50 Ohm Compression Connectors

Compression is easier and more reliable than a crimp-on or soldered connector

Part Number	Description	Tip Required	Tool Required	Belden Cable
DB58BNC	BNC 50 Ohm Connector	NONE	CPLCRBC-B	8240
DB58UHF	F-type 50 Ohm Connector	RBCTIP-UHF	CPLCRBC-B	8240

F-Conn Double Bubble Starter Kit and Tech Express Tool Kit

Double Bubble Kits

Part Number	Description
DBSTARTERKIT	Includes Cable Pro Cable Strip Tool, Compression Tool and a variety of F-Conn DB Connectors
DBPSAKIT	Includes Cable Pro Cable PSA59/6 Strip Tool and CPLCRBC-B Compression Tool

Belden Cable to F-Conn Double Bubble Connector Cross Reference Chart
